Welcome to our new wine list.

We have carefully selected in association with  
Rodney Densem Wines.

Some of the finest wines from some of the most renowned  
wine producers from around the world.

Each wine has been chosen to complement the exceptional

In selecting the wines for the list we have introduced some  
new grape varieties such as Viognier and Pinot Gris from some  
of the best wine growing regions from Europe and the New World.

We have also introduced some great wines from countries  
like Canada and The Lebanon.

We really hope you enjoy the wines on our list and welcome your
