

## Welcome to our new wine list.

We have carefully selected in association with Rodney Densem Wines some of the finest wines from the most renowned wine producers in the world.

Each wine has been chosen to complement the exceptional cuisine here at the Sultan's Palace.

In selecting the wines for this list we have introduced some new grape varieties such as Viognier and Pinot Gris from some of the best wine growing regions from Europe and the New World.

We have also introduced some great wines from countries like Canada and The Lebanon.

We really hope you enjoy the wines on our list and welcome your comments or suggestions.

Don't forget to ask our sommelier Ash for advice on the perfect accompaniment for your meal.
