## Where the delights of the East meet the West

Discover two specialities of the Sultan's Palace:  
Tandoori and Mughlai cooking, both originating from  
the north west frontier territory.

In tandoori cooking, meat is marinated with herbs and spices and cooked to perfection in a barrel-shaped clay oven. Barbecued over a charcoal fire, the succulent flavours are instantly sealed in by the temperatures up to 400°C. The Mughlai style elevates cooking to gourmet heights and dates back to the 16th Century when Mughal emperors brought with them Persian recipes full of rich flavour.

Selective palettes appreciate the Mughlai difference - eyes light up, tongues caress the lips and a knowing nod accompanies each mouthful. Unique combinations of roasted spices so that every mouthful is perfect.

For every dish we create, we will only offer it to you only when we are entirely satisfied.
